## NOTE

The response filed on 6/1/2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant states at Response page 2 that the original specification is replaced with a “substitute specification attached hereto”. However, no attachment has been received in the 6/1/2007 filing. Further, a careful review shows that the “substitute specification” filed 8/2/2006, which has not been entered, is non-compliant, because it lacks any marking to show the changes made. Applicant must submit a proper marked substitute specification in the next reply. **Since the amendment is non-compliant, the claim amendments have not been entered.** See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
